

Kiitos Jumala

1 Thessalonians 5:18

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus."

Kiitos Jumala

Kiitos Jumala means in Finnish "Thanks God"; this is the first phrase we can say to God, in this month we have been on our itineration. The Hand's God has moved powerfully showing His Support toward our lives. And despite the spiritual opposition, we have had some moments. God gives us OF HIS PEACE THAT SURPASSES EVERY MOMENT.

We are aware that we are living through hard times in our country, and many times we have been affected directly. Whoever, we don't wish to be of those who are complaining about problems, We want to be those who see Jesus in the fire oven.

Officially on Itineration

In the Past July we started our official time on itineration. We have been traveling all the Team, we have had funny moments, and a little hard and exhausted, but in all this, we say: "Kiitos Jumala".

Estamos agradecidos a Dios por su respaldo en este tiempo y por cada vida que fue tocada por Su Palabra. "A Dios sea la Gloria".

We are so grateful to God for this first contact with our Finnish brothers.

We could observe and learn a lot from them in these few days that we spent together, was too hard to say goodbye quickly, because this nation has entered inside of our hearts.

To have the opportunity of singing, praying, and singing with them, it's a God's gift that we never did imagine.

Samuel Melo, (Youth's Pastor of Helsinki's Team) showing the flag of Finland to the kids.

Samuel translated from English to Spanish for Sakari (part of the Finnish team). We thank God that through English we were able to communicate with them and help in certain moments of evangelism and ministry.

As Rev. Don Triplett said,
"English is the language of
the missionary".

Eveliina (Team Leader), sharing a moment with our little Anneli. The Finns were surprised that our daughter had a very common name for Finland. And we always said to them, it is the name of the Promise.

Here we were painting the facades of the classrooms in a foundation that owns an orphanage. The guys did an amazing and fast job.

She is Ramona, she is a Finnish Gypsy, the church to which this team belongs has ethnic groups, such as Ethiopians, Latinos, Russians, and Gypsies, among others. She explained to us that Finland is more inclusive than the Netherlands, and she opened up the panorama of the information we had a lot.

MissioKilómetros

We invite you to participate in 1 Missio-kilometer. In this way, we can move faster toward Fuengirola.

Sharing this information with others is an important way you can help us. Each person who supports us with 1 kilometer will receive a digital ticket from us.

This will be beneficial for both the exploratory mission trip and the outgoing voyage next year.

Exploratory Mission Trip

In October of this year, our goal is to go to Fuengirola, Spain, to familiarize ourselves with the area where we will be serving, as well as to meet and speak with the missionaries with whom we will be working.

Pray for us for a miracle for the visa.
