

# **RAUHAA**

JUDGES 6:24

So Gideon built an altar to the Lord there and called it The Lord Is Peace. To this day it stands in Ophrah of the Abiezrites.

"Rauhaa" is the word with which Finnish Christians usually greet each other, and it means Peace. We love greeting you with this beautiful word in Finnish, to remind you that just as the Angel of Jehovah appeared to Gideon in times of difficulty when he felt weak, he raised an altar and worshiped God.

In these difficult times, we live in, we can remember that He is our RAUHAA, our Peace.

During these months of learning as a new missionary family, while we have prayed to the Lord asking Him "why?" about many things, even though He doesn't give us the answer we desire, we have RAUHAA because this project belongs to HIM.

RAUHAA is what sustains us in times of uncertainty, as we trust in the promise that He is with us.

# **PLANTING A NEW CHURCH**

We are grateful for the challenge of establishing Branch Churches for our congregation, Lion of Judah. These photos belong to Ciudad Santiago, a housing development located past the Penitentiary, on the way to Daule. Alongside a great team, we are preaching the Word of God to these families, and soon many of them will be baptized. Please pray for us, as there is another challenge ahead: establishing a branch in the Sergio Toral area. Our task is to train equipped and prepared workers in each of these churches.

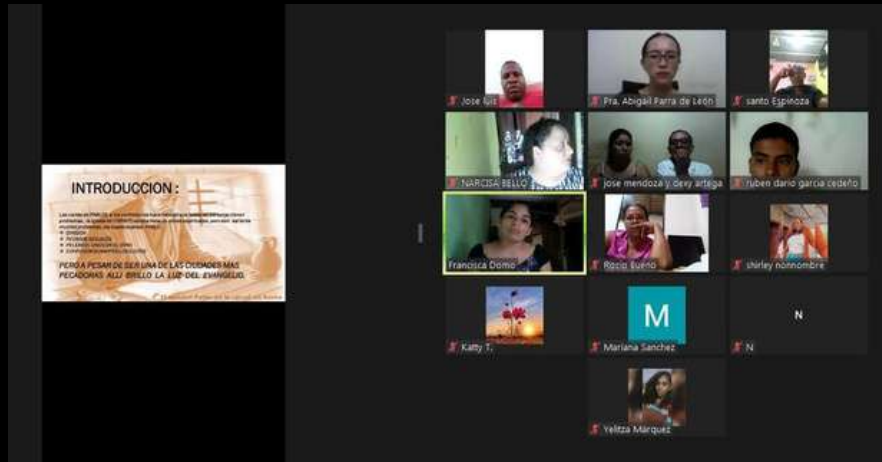

# **PLANTING A NEW CHURCH**

We have been going every Saturday for over a month now with our daughters and a great team to minister in this place, where we see a strong hunger for the Word of God.

We have the privilege of contributing to the training of workers within our church and at Institute Biblical Riobamba.

# MissioKilómetros

We invite you to participate in 1 Missio-kilometer. This way, we can make faster progress toward Fuengirola.

Sharing this information with others is an important way you can help us. Each person who supports us with 1 kilometer will receive a digital ticket from us.

This will be beneficial for both the exploratory trip and the departure trip next year.

# **EXPLORATORY TRIP**

In October of this year, our goal is to go to Fuengirola, Spain, to become familiar with the area where we will serve, as well as to meet and talk with the missionaries we will be working with.
