

# Majakka

A bruised reed he will not break,  
and a smoldering wick he will not snuff out.  
In faithfulness he will bring forth justice;  
Isaiah. 42:3 NIV

We received this text at the World Congress of Assemblies of God "Shine", and it touched our hearts so strongly because it spoke of not extinguishing our flame despite the difficulties that may come, because the Lord sustains his servants, as it was Having prophesied this about Jesus Christ, HE will do the same with us, therefore we must continue with that burning flame in our hearts.

Majakka es la palabra finlandesa que significa "FARO", este es el nombre que tiene las instalaciones del lugar de reunión en Fuengirola. Nos pareció muy interesante conocer que ellos como iglesia son como una luz del faro, que alumbría y guía por medio de Jesús.

## WE CELEBRATE THE EXPLORATORY TRIP

We are grateful because in his Eternal Goodness, we stepped on the land of Fuengirola, and we were able to meet with Rev. Pertti Salmen, and the body of elders of the church, under whom we will be working. This gave us a broader overview of the work in this community, which involves reaching children, adolescents, and their families, having the challenge of raising a church for this sector that needs to be discipled.
