

# UOSKA

HEBREWA 11:6 NIV

"And without faith, it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him."

"Uoska is the Finnish word used to speak about Faith. The Autor of the book of Hebrews exhorts to the church members to be close to God using this gift of the Spirit.

Indeed each one of us lives by faith, and sometimes we put our trust in many things that are not God.

The Lord wishes that we can deposit all our Faith in Him. Certainly, The Lord has exhorted us like a family, not to deposit our faith in the things of the earth, and not to give him the 80% of us, but the 100%.

So, from now, we have been challenged to increase our level of faith, and not doubt in the steps that The Lord had determined that we give, for his name can be glorified.
