# **Jumala Hyvä On**

We are grateful for what God has done this last month with our lives, showing us His Grace and Mercy abundantly. "Jumala Hyvä On" means "Good is God", and we know that this is an immutable attribute that our Creator has possessed since eternity, so His Grace remains for us.

We know that in the difficult times, we are going through keeping our eyes on our God, and His Goodness is what will continue to keep us, in what He has prepared for our lives.
