

Psalm 73:25-26

King James Version

“Whom have I in heaven but thee? and there is none upon earth that I desire beside thee.

My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever”.

OLET MUM KAIKENI

Olet Mum Kaikeni, means in Finnish "You are my everything", these words speak of total redemption and dependence on our God. In this beautiful Psalm 73 the frustration of a man who was worried about what was happening around him is described, until entering the Presence of God, he realized that HE has been his daily portion.

If there is one thing we can celebrate in 2023, it is that we are amazed at God's comprehensive provision in our lives. HE has shown Himself through details, different messages, people, gifts, and words, to remind us that we cannot depend on our strength or experience, but on His Guide.

We are sure that that same Grace and Favor is upon you and that The Lord has been poured out daily.

OLET MUM KAIKENI

We want to thank you for fully joining the vision that has been assigned to us because with your help we are spiritually impacting a community and a nation that will be used to bless many countries.

Now we are counting down, the desire impregnated in our hearts is to arrive in Fuengirola in June, which is crazy for our context, and that is why we believe that it is the will of God, because if it is impossible and difficult, then it is possible. Our trust is placed in the Lord and that is why we move quickly before the urgency of the call that He has placed on us.

These first two months we will continue on the tour, visiting cities, camps, area meetings, and Church, to share what God has placed in our hearts.
