

## The Church's Mission

2 As they ministered to the Lord, and  
fasted, the Holy Ghost said, Separate me  
Barnabas and Saul for the work  
whereunto I have called them.

3 And when they had fasted and prayed  
and laid their hands on them, they sent  
them away.

Acts 13:2-3

## The Church's Mission

We can observe in this bible text, the process of Paul and Barnabas being sent by the church of Antioch intentionally, many consider this the first known missionary effort of the church. Although times have changed, God's heart remains the same, and He is motivating the Church (Believers of all ages) to listen to His Voice for the sending of workers.

Our part as a Church is to make that effort and fulfill the Mission of God. In the process of being sent, in which we find ourselves, we have felt the resistance, the ignorance, and even the fear of being part of this effort, and this has prompted us to continue interceding for one of the least reached groups that exist. "Christians who have not been won for the missions."

# Let's Celebrate

Our daughter, Saori, finished Initial 2, and in turn graduated from the Oansa (Bear Club) program. We thank the Lord who used different people to bless our daughter in her studies.

In the middle of the Itinerarion, Samuel was able took Module 3 of ISUM (Institute for Ministerial Improvement), receiving new learning tools for the ministry. It was an honor to have shared with other workers who have more experience in the field. It was undoubtedly an intensive and challenging month, but of great benefit.
