

Hebrews 11:8,36

By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going.

Some faced jeers and flogging, and even chains and imprisonment.

# The Faith's School

Greetings, and great blessings in this New Year.

We are amazed by what God has already begun to do, and what He has taught us in this first month.

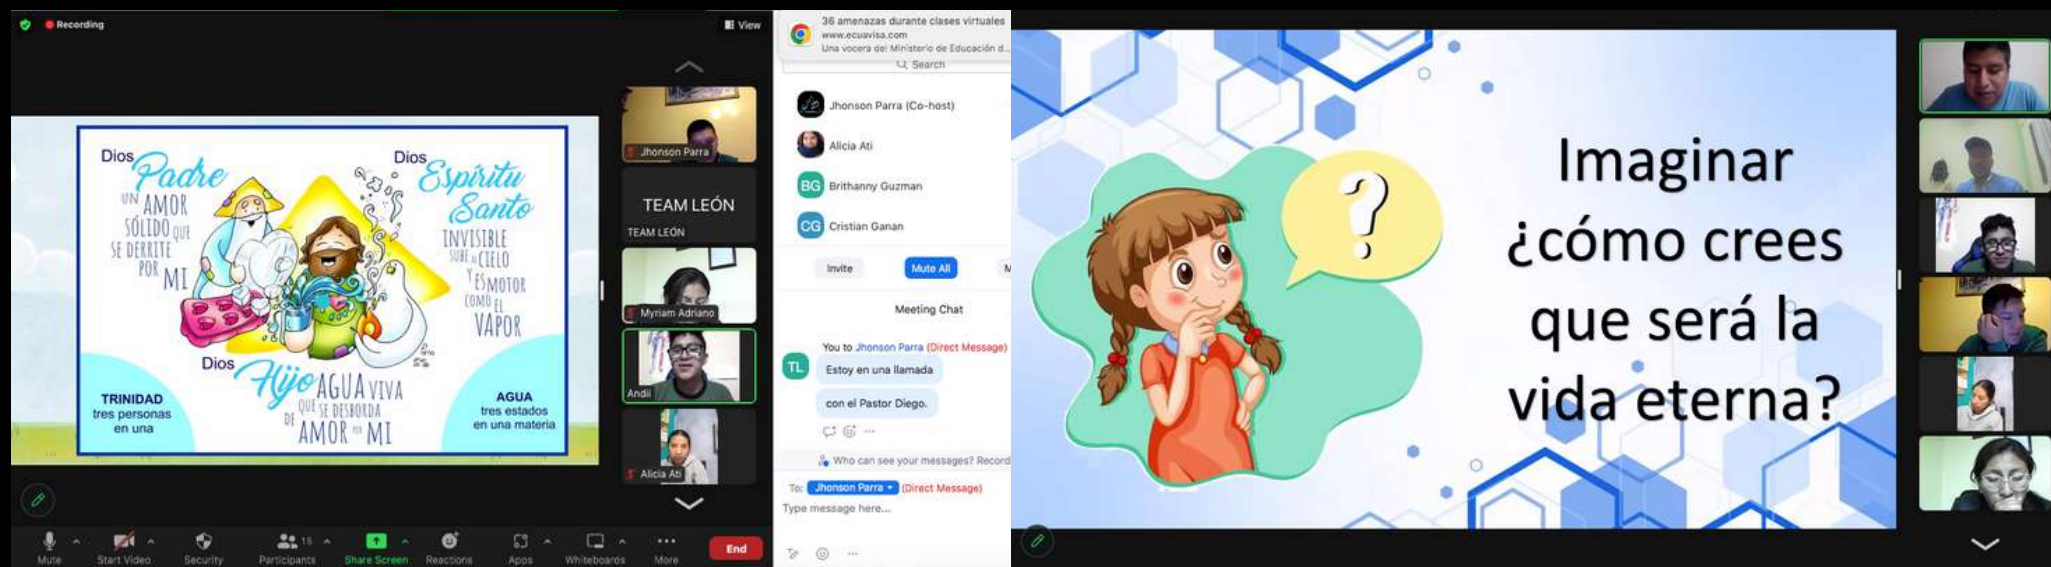

We believe we are in new learning about FAITH, which challenges us and us to endure external circumstances, which we cannot control.

We have been processed to carry out a task misunderstood by many, and unnecessary for others, this has led us to depend more on God and to keep our eyes on Him.

We understand there is a price to pay for this precious calling, which will make us dependent on the Owner and Author of this ministry.

# Itineration in Santa Cruz Island

# Itineration on San Cristóbal

Miraculously that same day there was a delegation from the Evangelical Church of Blessing of Cayambe, Samuel was surprised because he had been trying to coordinate a meeting with the Pastor for a visit for some months, and God prepared this meeting to make it happen. It is incredible to see God's sovereignty in every moment.
