

Behold, I am the Lord, the God of all flesh:  
is there any thing too hard for me?

Jeremiah 32:27

Ihmeä is the Finnish word for miracles, and we are sure that we have experienced great miracles in these months and that we will need more to go to our promised land.

In difficult and uncertain times, The Lord has given us Peace and has sustained us as well as the widow of Zarephath.

However, there are new levels of Faith that we must reach. And also we pray that God continues to add people of faith, who walk with us so that we can reach the desired goal of the month of May 2024.

This brings uncertainty and distrust in many because it seems difficult, but we have understood that if something is impossible and difficult, then it is Easily Possible for GOD.

Therefore, we thank you for your faithfulness in this process, we understand that it has not been easy to take the step, but we have not stopped giving to the missionary families that we support, and we give glory to God because it was HIM. who teaches us to keep our eyes fixed on Him.

# CRADEC CONFERENCE

Upon returning from Spain we had the privilege of sharing the project at the National Summit in King's Castle Ministries.

It was very comforting because it is in this ministry that God affirmed our missionary calling. Sharing this DNA with new generations is exciting.

We give thanks to Pao, María, Quila for the opportunity.

# Itineration

The Lord has been guiding us little by little by sharing this missionary project in several Churches of Santo Domingo, Guayaquil and Manabí,
