# Matthew 9: 35-38

“Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, “The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.””

# Let's not stop praying

We are grateful to God for each one of your prayers, towards this project of the Finns in Spain, each time we can see in depth the great need for workers in Europe, as well as the importance of intercession so that God in His Sovereignty continues to work, to glorify His name.

This month has been one of great testimonies and miracles, which makes us depend more on God and understand that the desire of his heart is that we cry out for more workers.

As we had told you before, the church we will be serving in, runs out of workers in charge in the summer. For this reason, the church has to be closed for several months.

At this moment the church is open because there is a couple that is helping for this month, but we don't know if it will be open for the next month.

Please, pray that God will use Jani and Silja in a powerful way in this time of transition in Turistikirkko Church.

**The church had its teen camp, and has received visits from Finnish summer teams.**

**Ari and Hanna with their daughter and son-in-law Garang and Juanita, were a great blessing on our exploratory trip, and we were sure to count on them and team up together. However, we learned that they decided to return to Finland. This news left us stunned, we trusted in God's sovereignty during all this time.**

**Pray asking wisdom for Ari and Hanna and their family, that the Lord will guide them in every decision they make. May God continue to reward their hard work. And for the new couple they are asking in Finland to work alongside us.**

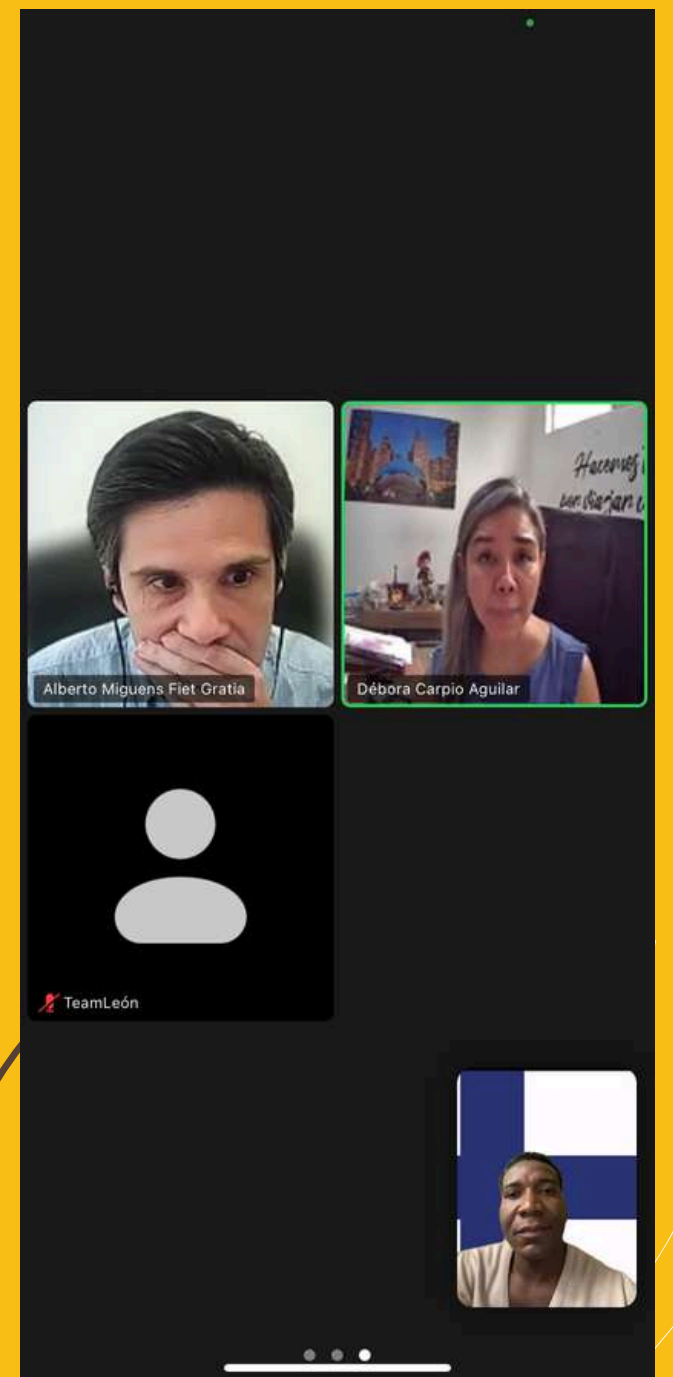

# NEWS ABOUT OUR DOCUMENTS

Our papers from Spain are ready, however we have to do other paperwork at the Spanish Consulate here in Guayaquil.

There have been complications because the type of visa that is applicable for the missionaries, in the consulate of Ecuador does not exist, our lawyer from Spain, told us that it is the first time that this happens, since normally he has done the process in other countries of Latin America, for which, we had to meet with him and the Miss of the Agency to find the best way out in the communication and viability of our documentation.

**Please pray that God will give  
Wisdom to Alberto and Debora in  
the communication with the  
Spanish Consulate in Guayaquil and  
in this whole process. Also that we  
find Grace at the time of the  
appointment.**

# Thanks for your financial support to this project.
