

In the Potter's Wheel

The LORD gave another message to Jeremiah. He said, "Go down to the potter's shop, and I will speak to you there." So I did as he told me and found the potter working at his wheel.

(Jeremiah 18:1-3 NLT)

ON JANUARY 22ND, WE MARKED THREE MONTHS IN THE MISSION FIELD AND ARE AMAZED BY GOD'S WORK IN OUR LIVES.

DURING THIS TIME, WE HAVE BEEN LEARNING TO RECOGNIZE HIS HAND IN THE MIDST OF THE PROCESS, UNDERSTANDING THAT IT IS NOT OUR WORK BUT HIS, AND THAT ALL THE GLORY BELONGS TO HIM.

The Lord has allowed us to establish new connections, some of whom have received His Word, and for whom we pray that God reveals Himself in their lives.

We continue to actively participate in every evangelistic activity, taking advantage of every detail to share about Jesus.

In a culture that observes us closely, we must reflect why Christ is relevant to their lives. For this reason, it is essential to go through the transformation process, allowing God to mold us as instruments of light in this place.

Thank you for your prayers for our family for protection in health, strength, and especially for the well-being of our daughters amid the changes and processes they are experiencing.

We invite you to visit our website, where you will find more information about our project and how you can get involved. May God bless you!
